chocolate labeled 54%, 61%, or 72% on grocery store shelves, but some bakers are still confused by what the labeling means and how to use it. In *Seriously Bitter Sweet*, Alice Medrich presents 150 meticulously tested, seriously delicious recipes—both savory and sweet—for a wide range of percentage chocolates. “Chocolate notes” appear alongside, so readers can further adapt any recipe using the percentage chocolate on hand. The book is a complete revision of Alice’s 2003 *Bittersweet*, which was named the 2004 IACP Cookbook of the Year. Since 2003, the world of chocolate has grown exponentially and terms like “bittersweet” and “semisweet” no longer suffice as chocolatiers everywhere are making chocolates that are labeled with specific percentages of cocoa. Alice clearly outlines the qualities of different chocolates as she explains how to cook with them. With

Lupita's hard-knock life has gotten the better of her time and time again. A childhood robbed of innocence set off a chain of events that she still has not managed to control, no matter how hard she tries. Every time she thinks she has a handle on things, unexpected turns make her question everything, including herself. When Lupita witnesses the murder of a local politician whom she greatly admires, the ghosts of her past resurface as she tries to cope with the present. She quickly falls back into her old self-destructive habits and becomes a target of Mexico's corrupt political machine. As the powers that be kick into high gear to ensure the truth remains hidden, Lupita finds solace in the purity of indigenous

As the millions of fans of Like Water for Chocolate know, Laura Esquivel is a romanticist whose novels explore the power of love and the truths of the human heart. She returns to those themes in Swift as Desire, the story of a loving and passionate man who has the gift of bringing happiness to everyone except his own wife. The hero of this novel is J ú bilo Chi, a telegraph operator who is born with the ability to “hear” people’s true feelings and respond to their most intimate, unspoken

desires. His life changes forever the day he falls deeply and irrevocably in love with Lucha, the beautiful daughter of a wealthy family. She believes money is necessary to insure happiness, while for J ú bilo, who is poor, love and desire are more important than possessions. But their passion for each other enables them to build a happy life together -- until their idyll is shattered by a terrible event that drives them bitterly apart. Only years later, as J ú bilo lies dying, is his daughter able to unravel the mystery behind her parents ' long estrangement and bring about a surprising reconciliation.

When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called " La Celeste Praline " directly across the square from the church, Father Reynaud identifies her as a serious danger to his flock. It is the beginning of Lent: the traditional

season of self-denial. The priest says she 'll be out of business by Easter. To make matters worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone 's favourites, and her delightful confections. Her shop provides a place, too, for secrets to be whispered, grievances aired. She begins to shake up the rigid morality of the community. Vianne 's plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate éclair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says

Harris: “ You might see [Vianne] as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on relentless. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human. ” Vianne and her young daughter Anouk, come into town on Shrove Tuesday. “ Carnivals make us uneasy, ” says Harris, “ because of what they represent: the residual memory of blood sacrifice (it is after all from the word "carne" that the term arises), of pagan celebration. And they represent a loss of inhibition; carnival time is a time at which almost anything is possible. ” The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including

Juliette Binoche (The English Patient) and Judi Dench (Shakespeare in Love), was directed by Lasse Hallstrom, whose previous film The Cider House Rules (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. “ It was a throwaway comment, designed to annoy and it did. It was along the lines of...Chocolate is to women what football is to men... ” The idea stuck, and Harris began thinking that “ people have these conflicting feelings about chocolate, and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate. ” Rich with metaphor and
