In Bickham's own day it was difficult to get a complete set of the Universal Penman; today, apart from this edition, it is virtually impossible, for most surviving 18th-century copies lack certain rare plates. This Dover edition, however, contains every plate which Bickham engraved, and each is reproduced from an original so remarkably clear that these modern plates are actually better than ...

The Universal Penman In the 18th century, writing masters taught handwriting to educated men and women, especially to men who would be expected to use it on a daily basis in commerce. The craft of legible and elegant handwriting was a useful business skill. An exemplary 18th-century letter of credit, from George Bickham's The Universal Penman.

The Universal Penman is a beautiful book, and a must-see for anyone interested in the ornate writing styles that have long-since fallen out of fashion. The first few pages give a brief (but interesting) history about George Bickham and his engraved plates, and each page after that models a different writing style, usually in the form of a poem, a bill of exchange, or a document that there's no ...

"An essential part of any art library, and a book of permanent value not affected by seasonal styles." — American Artist. Here is Bickham's famous treasury of English roundhand calligraphy from 1740. Includes 125 pictorial scenes, over 200 script pictures, 19 complete animals, 275 lettered specimens, more than 100 panels, frames, cartouches, and other effects, and more.

Famous treasury of English roundhand calligraphy of 1740. Alphabets, decorated pages, scrolls, frames, cupids, similar material.

Unabridged reprint of extremely rare 18th-century manual offers helpful hints on forming letters, holding the pen, arm and wrist positions, and posture. Includes rich sampling of alphabets, maxims, didactic verses, and other words of advice. Charmingly illustrated instruction manual for calligraphers, commercial artists, and devotees of fine penmanship.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The eighteenth-century fascination with Greek and Roman antiquity followed the systematic excavation of the ruins at Pompeii and Herculaneum in southern Italy; and after 1750 a neoclassical style dominated all artistic fields. The titles here trace developments in mostly English-language works on painting, sculpture, architecture, music, theater, and other disciplines. Instructional works on musical instruments, catalogs of art objects, comic operas, and more are also included. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: ++++ British Library T086160 Engraved throughout and printed on recto only. Plates bear various dates 1733-41. Additional titlepage dated 1741: 'The universal penman; or, the art of writing .. Exemplified in all the useful and ornamental branches of modern penmanship; .. Written in London: printed for the author, and sold by John Bickham, engraver, 1733-41. 52 parts; 2°

A remarkable series of studies, including 23 complete alphabets, in ornate penmanship. Among the lettering styles: Roman print, German text, Old English print and English church text.
