Wander-A Night Warden Novel: Volume 1: Amazon.co.uk ... Excellent first book Orlando Sanchez has again created an interesting story revolving around unique characters in this first book to his new series, Night Warden. It is set in the same fantasy New York City world as his fantastic Montague and Strong series but the main character in Wander, Grey Stryder, is older with a darker past and his partner/protégé, Koda, is young, naive and deadly.

Wander (Night Warden #1) by Orlando A. Sanchez Wander - A Night Warden novel is the first in a new series by the same person that does the Montague and Strong detective agency series. It is set in the same universe as Monty and Strong, which for me makes it even better. I like shared universes. "He's not the Hero you want. He is the monster you need." (Tagline for Book)
